

Born Is The Child

12/26/2000
2009

God's gift in a tiny package wrapped in a blanket, in human form
God's Son, yes, the One and Only of our Creator, His Son is born
On a day like any other day, much the same as any other day
But, oh, so different and oh, so special
For born is the child who would one day save the world
Can you imagine, you need not imagine, for it is the truth
The Christ Child is born to save me and you

God's blessing has come among us, He is Salvation in human form
God's mercy has dwelt among us, the gift of all gifts, God's Son is born
Celebrate the wonder of this day, dance and sing with joy because this day
Is oh, so different and oh, so special
For born is the child who would one day save the world
Can you imagine, you need not imagine, for it is the truth
The Christ Child is born to save me and you

You can hear it if you listen closely to the voices of angels as they are singing (2X)
Born is the child who will one day save the world
Here is the child who is born to save the world
Praise be to God, who has brought this child to the world

To bring salvation to all God's children
To those who believe in the name of Jesus
In God's Son, Jesus, Emmanuel
God is with us, God is with us
God's gift to the world, His son Jesus, His son Jesus

God's gift in a tiny package
Wrapped in a blanket in human form
God's Son, yes, the One and Only
The Savior of the world is born

Knowing His purpose, knowing why He came
Mary and Joseph full of joy
gazed upon this lovely little baby boy and on their Lord
sent, by an angel was a message brought
to Mary that she would have a child
brought to fruition by the will of God
the Lord looked upon our Lord and smiled

Christmas time is here / hearts are full of cheer
the Savior is born
Christmas time is here - God is drawing near
to the heart that is torn

Cold, grey and lonely in a manger lay
one who would jeopardize the faith
of all who would not believe the Christ had come, them for to save
crying in the darkness just how would they know
this babe was crying just for them
He one day would lay down His life in love
the rose severed from the stem

Jesus is born, let all heaven and earth rejoice
Jesus is born, let us stand up and sing
Jesus is born, let all praise come from every voice
Jesus is born, Lord and Savior and King

Oh hallelujah, let us break out in dance and song
Oh hallelujah, we the captives are free
Oh hallelujah, yes the King of all Kings is born
Oh hallelujah, and forever with Him we'll be

Night of all nights, day of all days
it's Christmas and born's the Savior
Light of all lights, the truth, life and way
He's Jesus, born the King of Kings
Born the King of Kings

There's a star and it shines more brightly than any I've seen before
there's a song in my heart tonight and I'll sing it more and more
for the Savior has come into the world to set the captives free
and the joy that He brings makes me want to sing Jesus Christ is born
Jesus Christ the Lord !

There's a light over yon horizon that marks a brand new morn
and a child crying for His mother, Christ the Lord is born
and with Him comes hope for all to share in God's Holy Precious Son
Messiah is here, let the world rejoice, salvation for all who'll come
Unto God's Holy Precious Son

Happy, Happy Birthday Jesus, may your birthday wish come true
That all the world may come to know you and share your love the whole year through

Happy, Happy Birthday, Jesus may your birthday be just grand
May your love reach every nation and all the people in the land

As we celebrate with you here on your birthday
We rejoice in knowing you as Savior, Friend
You are wonderful and marvelous
Lord, you've been so good to us
With all our heart, we want to sing to you

We can't buy you gifts or presents for your birthday
'cause every thing we think we own is yours
but one thing we can give to you, ourselves, oh Lord we give to you
and celebrate your goodness as we sing

Christmas Means Jesus
(What Christmas Means To Me)

12/2/99

Christmas time is a special time of year
With gifts wrapped underneath the tree
But, there's one gift at this special time of year
That wraps up what Christmas means to me

Christmas means Jesus, Christmas means Christ's birth
It means salvation to all who believe
Christmas means Jesus has come to our rescue
And that's what Christmas means to me

All those presents are really rather nice
Love gifts from family and friends
But, all those gifts won't give me eternity
Only God's gift's the One that never ends

His gift is Jesus, His gift is Christ's birth
He gives salvation to all who believe
Christmas means God's gift has come down to save us
And that's what Christmas means to me

All that snow is neat, a special kind of treat
And lots of food to eat and shoppers tired feet
And gridlock in the streets, my God, I'm getting beat
Wait, decorate the tree, what's happening to me
It's just about this time I start to lose my mind

O Holy Night, the stars are brightly shining (oh yeah, that's right)

It's not just a story, it's not just a song
That sings of His glory in a baby born
It's not just emotion or a season of cheer
It's all about Jesus, God is here

God saw the need before time began
And sent His seed in the form of a man
To bridge the gap of paradise lost
Restoring life at the highest possible cost
He sent His Son, for Him to do what must be done

And so He lived a perfect life as no one could
And He obeyed the Father's will and so He would
Lay down His life in perfect love
Hung on a cross, it was you and me that He was thinking of
God's only Son, so crucified, said it is done

And so we have eternal life in Him, if only we believe
In Jesus Christ, God's only Son
When by His grace we seek His face
And recognize our need for Him

It's not about presents, it's not about trees
It's not about snowflakes, or candy canes, or Santa Claus, or anything you please
It's all about Jesus, Salvation has come
In the form of a baby, God's own Son

I'm celebrating Christmastime with Jesus

The Prince of Peace has come to save we who

Believe in the Messiah, He is Jesus

And all of us who do believe just say we do, we do, we do

Christmas is a special time when we remember Jesus' birth

When the one true God in heaven came down here to little ol' earth

As a tiny, tiny baby, who was born to be our King

Celebration is in order, so we praise Him, as we sing

Some people think of Christmas as a time for giving gifts

I guess they figure getting presents will give them quite a lift

But another tie or toaster isn't what they need at all

What they needs the gift that Jesus gives, salvation for us all

Now the one gift that you need is waiting for you

To open up your heart and be received

It's free and it's fantastic, it's forever

Personally gift wrapped by God for you

No it's not a dress or pair of shoes

And it's not another trendy toy

It's the perfect gift for girl or boy

Men and women, listen, it's no ploy

This is not some fake, it's the real McCoy

All right already, what is it?, Oy!

It's salvation, and it comes from Jesus

I'm celebrating Christmastime with Jesus

I'm bringin' in the New Year with Jesus
I'm bringin' in the New Year with Him
I've made a resolution, He is the solution
and I am gonna serve Him 'till He takes me away

I'm bringin' in the New Year with Jesus
I'm bringin' in the New Year with Him
Yes, Jesus is the answer, lift up Holy hands
and bring this New Year in with thanks and praise

Another year closer to bein' with the Lord
and time keeps tickin' away
who knows what it'll bring except the Lord himself
so I'll be bringin' in this New Year on faith
the Fully Faithful Father and His Soul Saving Son
and His Helpful Holy Spirit are strong
enough to keep me knowin', the way I should be goin'
that is why I will be followin' them all year long

It's time for celebrating for the New Year's come
and the old one is a part of the past
the Lord has given all of us a grand reprieve
even though our time is fading so fast
He has blessed us with a new beginning
so rejoice your faith is renewed
the Lord has laid one on us, another year's upon us
that is why I'm bringin' in this year with you know who

Out with the old, in with the new (2X)

Happy New Year!

In Love, He Sent His Son
(Give Yourself To Him)

1/31/08

Christmas comes and Christmas goes and then it's here again
At best we live through 80, 90, a hundred, a hundred ten
So why not make this Christmas special, give yourself to Him
To use to bless your family and friends

Give yourself to Him, it's the greatest gift of all
Give yourself to Him to use, answer the call
Share the love of Christ this Christmas, tell your family and friends
How much He loves them, He loves them, He loves them

Give yourself to Him, through you, let His hearts' love flow
Give yourself to Him, He's commissioned you to go
Tell the world the Father loves them so much that He gave His Son
For Salvation, it is finished, it is done, in love, He sent His Son

Alright, they may not listen, but, go tell them anyway
Plant the seed, it just may grow, for only God can say
Who'll receive Him or reject Him's not your business in the end
But, you owe it to the Lord to tell the world, your family and friends

Temporary treasure, permanent gift
Where are you gonna end up in your permanent shift
As the clock just ticks away, there is little left to say, my friend
But, watch out for the choices that you make
 Temporary pleasure, permanent pain
 Where are you gonna end up when Christ returns
 Oh, it's sooner than you know, that is assuming you don't go
 Without knowing Him, oh, what a big mistake

But, God gave His Son so you might live
Eternally with joy, at peace with Him
For humanity, the perfect gift
Redemption by His blood, be freed from sin
 The Christ has come to save us all
 The precious Son of God and Son of Man
 He came to earth of virgin birth
 Redeemer of our souls by God's own plan

God gave His only Son, born to us this day
Praise to the Lamb of God, who washes sins away
Born for us just to die, He gladly took our place
There in a manger lies the essence of God's grace
 The angels and we sing all praises unto Thee
 Worship the Lamb of God, the glorious King of Kings
 He is the Holy One who was, will be and is
 Unworthy are we Lord for such a precious gift

Fall on your knees, worship the King (2X) / Forgiveness in Him, forgiveness from sin (2X)

Sing praises to the King of Kings, sing praises to the King of Kings
Let all the world rejoice and praise Him with one voice
Sing praises to the King of Kings, sing praises to the King of Kings
Let all the world rejoice and praise Him with one voice
Sing praises to the King of Kings

Temporary treasure, permanent gift
Where are you gonna end up in your permanent shift
As the clock just ticks away, there is little left to say, my friend
But, watch out for the choices that you make
Let Jesus be the only road you take
Let Jesus be the only choice you make

Temporary treasure, permanent gift (3X)

Hallelujah, Hallelujah
(A Merry Christmas To Ya)

12/25/09

Hallelujah, hallelujah and a Merry Christmas to ya
Oh and by the way that hallelujah means to praise the Lord
Hallelujah, hallelujah and a Merry Christmas to ya
As we celebrate the birth of Christ our Lord

We rejoice in Christ our King, we and all the angels sing
Praises to the Lamb of God The Holy One
Born in Bethlehem foretold by the prophets from of old
God, The Father sent His one and only Son

As we celebrate with joy the birth of Jesus, baby boy
In a manger not a stranger to our pain
He came down to save we who'd believe in Him He is The Truth
And the only One who is The Life, The Way

Praise the name of Jesus Christ our Lord
Praise His glorious name salvation born
Praise the one who saves us from our sin
Praise the Lord rejoice, rejoice in Him
