

A Pleasant Song

5/26/08

I love You, Lord with all my heart
I love You, Lord with all my soul
I love You, Lord with all my mind and my strength
I love You, Lord, I love You, Lord

I praise You, Lord with all my heart
I praise You, Lord with all my soul
I praise You, Lord with all my mind and my strength
I praise You, Lord, I praise You, Lord

I thank You, Lord with all my heart
I thank You, Lord with all my soul
I thank You, Lord with all my mind and my strength
I thank You, Lord, I thank You, Lord

I bless You, Lord with all my heart
I bless You, Lord with all my soul
I bless You, Lord with all my mind and my strength
I bless You, Lord, I bless You, Lord

I worship You with all my heart
I worship You with all my soul
I worship You with all my mind and my strength
I worship You, I worship You

You gave Your life for me and
Now I give my life to You
You gave Your everything and
Now I give everything to You

Take my life as an offering
Take my heart as a gift to You
Take all that I have and all that I am
And all that I'll ever be, Lord, take me

You've blessed me, Lord, with all good things
And I just want to thank You
You make my heart just want to sing
And praise the majesty of You

Take me, Lord, as an offering
On the altar of praise to You
I lay my life down as You've shown me how
You've opened my eyes to see, Lord, take me

Forever with You, forever with me
By Your grace, I've come to be an offering

I look to the cross for salvation
I look to the cross for the truth
I look to the cross for redemption
I look and of course I see You

I look at myself I see sinful
I look at myself I see shame
I look at myself and it's awful
The blood, the cross, and I am to blame

Joined at Your hands, joined at Your feet
Dying to self, all of me
Joined at the head, joined at the heart
All of me Lord, joined with You upon the cross

I look to You, Lord, I see perfect
I look to You, Lord, I see right
I look to You, Lord, there's no defect
Just righteousness, pure heavenly light

I look at me Lord I see nothing
Oh, let it be, let it be so
Just servant hood spent in submission
To You my Lord is my perfect goal

Joined at Your hands, joined at Your feet
Dying to self, all of me
Joined at the head, joined at the heart
All of me Lord, joined with You upon the cross
Thank You, my Lord for the cross
I'm joined with You at the cross
Jesus, my Lord, You're my cross

Behold His majesty, our Lord and sovereign King
Was, is, will ever be forever praised
For all eternity, our God eternally
His name will ever be forever praised
Behold our King, behold our King

Look upon the One they pierced, wounded in His side
Nail marks in His feet and in His hands
But the Lamb is mighty fierce, top the lion's pride
With a thundering voice our Lord commands
Set the captives free, bind the captors feet and hands
Throw them to the darkness and despair
Joyful, those released, all who would believe in Him
Are saved by the Blood of the Lamb

So the One they left for dead rises from the grave
Not a story, just the living truth
For the crown of thorns instead, forever's exchanged
For a crown of righteousness as proof
That the Lord, He lives, He and He alone can give
Salvation and redemption by His Blood
So we too can live, all we who believe in Him
Praise Him for His great and mighty love

Bow before His throne, those He calls His own
In a never ending hymn of praise
Jesus Christ our King, Lord of everything
Behold Him the Ancient of Days

Behold our King, behold our King, behold our King, Forever Praised

You have been before there ever was
And You are forever You will be
All that is Lord, You are the because
Jesus, You are my eternity

Glory, glory, glory to the Lamb
Glory, glory, glory to the Lamb
Glory, glory, glory You are the great I am
And glory, glory, glory to the Lamb

All created has been made by You
You're the did , the done and the will do
Seen, unseen will see the living proof
Jesus, my eternity is You

Glory, glory, glory to You, Lord
Glory, glory, glory to You, Lord
Glory, glory, glory, You'll not be ignored
All glory, glory, glory to You, Lord

We will not forget Your Fame
Lord, we will praise your glorious Name

We will not forget You, Lord
You are the one that we adore

And my Lord, I know you are for me
Jesus, You are my eternity

Lord, You are my Lord / Lord, You are my God
All I'm looking for is everything You are
Lord, You are the one to whom all praise is due
So we come before, the awesome one is You

You are awesome, oh Lord, in Your presence
You are awesome, oh Lord, in Your power
You are awesome, oh Lord, in Your glory
You are awesome, oh Lord, in this hour

And we praise You, the King of kings
Let us glorify and magnify You in all things
Lord, we worship You in spirit and in truth
Glory, glory to the awesome One, Jesus, it is You

Lord, You are my joy / Lord, You are my peace
So I come before You humbly on my knees
Lord, You are my love / Lord, You are my strength
Worshipping You, Lord, I'd go to any length

You are awesome, oh Lord, in Your wisdom
You are awesome, oh Lord, in Your grace
You are awesome, oh Lord, in Your kingdom
You are awesome, oh Lord, in this place

And we worship You, Lord, our Lord
There is no one else but You, oh Lord, that we adore
So we lift our hearts and hands this day anew
Glory, glory to the awesome One, Jesus, it is You

You are awesome, oh Lord

In Your presence, by Your mercy, I bow
For You glory, in Your honor, I bow
Here before You, by Your grace Lord, I bow
I submit to You, my Savior, right now

I give You glory, I give You praise
I love You, Jesus, I love your ways
For You are perfect in all you do
There is no one, Lord, like you

So to You, Lord, I surrender, I bow
Yes to You, Lord, only You, Lord, I bow
Here before You, in Your throne room, I bow
At Your footstool, You, I worship, right now

I lay my heart before You, Lord for all the world to see
My love for you is genuine as is the love You have for me
So join our hearts together, Lord and let us be as one
Lord, Thy will be done

I cannot thank you enough
For Your magnificent love
I cannot thank you enough
For Your magnificent love

Every time that I've called You
Lord, You have always been there
Every time that I've needed You, Lord
All ways, all times, everywhere

Every breath I have taken
Has been a blessing from You
Every beat of my heart is a gift
You have seen fit to include

And of all the gifts You have blessed me with
I'm especially grateful for One
He's the One who can save, He's the One that I crave
My relationship with Jesus Christ, the Greatest Gift You ever gave

I cannot thank you enough for Your magnificent love
I cannot thank you enough for Your magnificent love

The Sacrifice
(As We Enter)

10/17/09

As we enter into the Holy of Holies
We remember The Blood shed for us
And as we come into the presence of Jesus
We remember the price paid for us

It is priceless beyond compare
In His presence we're made aware
As we see our Lord's hands and feet
And the nail marks He took for you and for me

He is Holy, He is Holy, He is Holy, our Lord
He is Holy, He is Holy, He is Holy, our Lord

As we enter into His glorious throne room
We bow in the presence of Christ, our King
We remember a crown of thorns used to be where
The crown of Salvation sits majestically

With a scepter of righteousness
Held out to us we have been blessed
To receive it with all His love
For the mercy of God's found in His Blood

As we enter, we remember, as we enter, we remember
The Sacrifice

You are God, my God and I am Yours, my Lord
And I will ever praise You, yes, I will ever praise You
You are God, my God and I am Yours, my Lord
And I will ever glorify Your name

You, I will praise for Your grace and mercy
You are The One who will not desert me
And by Your blood, Jesus, You've set me free
To worship You with all my heart

You are The One who is always with me
You are The One who will not forget me
And I submit to Your will that's for me
To worship You with all my heart

I worship You, I honor You
In all You do, You're perfect in every way
Worthy of all praise!
